Monthly HOA Meeting

1st Wednesday of every month at
6pm in Clubhouse

If you see someone moving into our community, please be kind and inform them not to park on the street from 12am – 6am. We don't want their new life here to start with a tow or boot on their car!

Please note that the recycle truck driver arrives around 7am Sunday mornings to pick up the recycling bins.

Here are some items you can place in the **green** garbage can:

- Paper
- Cardboard
- Wrapping paper
- Plastic
- Aluminum cans

Conserve Water

We live in a dry state which means we should always try to save as much water as we can. Our highest bill here at Ivy Springs is our water bill. Please keep this in mind as the hotter months are soon to be here.

Here are a couple ways to conserve water:

- Turn off tap water when brushing teeth
- Turn off tap water when you are washing your hands
- Fix any water leaks
- Use your dishwasher only when it's full
- Shorten your showers

There Have Been Reports of Theft Here at Ivy Springs

Please remember to always take your valuables out of your car during the day and at night. Make sure your doors are locked and your windows are rolled up all the way. Robbers typically break-in to vehicles when they see things of value in plain sight, so the less items in your car the less of a chance for a break-in.
