Dear Store Manager,

We are excited that one of your customers would like you to consider carrying Valens® Probiotic Drinks. We currently offer a line of Kombucha and our new **Water Kefir** line will be available soon!

Thank you and we look forward to doing business with you!

Valens® Probiotic Drinks are proprietary blends of either our naturally cultured kombucha tea or water kefir, along with a splash of all-natural stevia sweetened flavor infusions that creates the most delicious and lowest calorie probiotic drinks available! Valens' unique, lighter taste profile is specifically designed for Midwest & East Coast consumers.
