**A Note from Rick:** Nothing really new to report in the markets this week at TLA. We had another good sale on Tuesday and all markets were very steady. Well, March is here and we are gearing up for a big month. Draft Horse Catalogs are out and we have a great lineup of horses to offer. There are a couple to changes to note for the week. We will be selling Crossbreds on Tuesday evening after the Equipment, Machinery and Carriage Sale. We are hoping to avoid selling so late at night and spread out our week a little bit. It is going to be strange to not hear Dallas Martin singing from the auction block at the Draft. He has been a staple here for many, many years. He will be missed, but we are excited to have Jarron Miller step in. Jarron is definitely not new to the Draft Horse world or TLA for that matter. He has been our regular Tuesday auctioneer for awhile now and we are looking forward to having him on the team for our major horse sales as well. If you haven't heard him, be sure to visit TLA and check him out! He has a style and presence all his own and we are lucky to have him. See you at TLA!
