Buddhist Monks Threaten to Kill Front-Line Worker

- After a woman named Malaramma led a Hindu priest & his family to faith in Jesus Christ, the former priest urged her to raise funds to build a new worship hall next to his home.
- When a local Buddhist leader learned of the project, he quickly opposed it.
- One Sunday, as Malaramma led a worship service at the Christian man's home with other new believers, several Buddhist monks arrived.
- They stole everyone's Bibles, chased the worshipers away & threatened to kill Malaramma if she didn't leave that night.
- She & other believers prayed through the night for God to protect them. The next day, local authorities learned of the threats & assured Malaramma that she would be protected.
- Pray that these believers remain safe, & pray their persecutors find faith in Christ.
