

## ***2010 Recipients***

### ***Marie Latsa***

Marie Latsa served as National Honor Society President and is a member of the Student Council, Volunteer's Club, Spirit Club and Foreign Language Club. She has accumulated close to 250 hours of community service on top of being ranked number one in her class. Marie has participated in at least three sports per year. She was voted as this year's Homecoming Queen and has received superior recognition by the National Council of Teachers in her junior year. Outside of school she attends Sts.

Constantine and Helen Greek Orthodox Cathedral where she is a member of the Greek Orthodox Youth Association where she participates in all sorts of volunteering opportunities. This fall she plans on attending The Ohio State University.

### ***Courtney Ou***

Courtney has maintained a 4.34 grade point average through her four years of high school while being very involved in numerous activities. As a member of the Girls Track Team she has earned recognitions such as the Scholar Athlete Award and the CVC Honorable Mention Award. Courtney has been an active member of the Student Council chairing many events along with serving as Class President. She has been also recognized as Student of the Month for being the Wickliffe Representative in community programs. In

addition, she has also volunteered in various organizations such as Special Olympics, Lake County West Hospital, Wickliffe Junior Olympics, Wickliffe Public Library, and Lake Metroparks. Courtney plans on attending the University of Akron this fall.

### ***Jaimin Shah***

Through his participation in numerous activities at Mentor High School, Jaimin has organized and supervised many community service projects. As a philanthropist of Student Government, he is in charge of seeking out and coordinating charitable events, such as blood drives, food drives, United Way collections, and Coats for Kids. Also, as treasurer of National Honor Society, Jaimin has spearheaded various community service projects, such as soup kitchens and wrapping gifts during the holiday season. And, as a team leader in Future Leaders, he helped to organize service projects such as Relay for Life and Pennies for Patients. Finally, Jaimin helped to create a monetary drive for the Haitian Relief Efforts. He plans on attending the Harvard University this fall.
