

RENT AN INFLATABLE GAME FOR YOUR NEXT FUNDRAISING EVENT

Schools, churches, and other organization have always looked for new and different ways to raise funds for their causes. One of the best ways is with inflatable games.

Simply set up any of our inflatable games where large numbers of children will be, such as sporting events, large department stores, malls, festivals or carnivals and charge for each child. How much money you can raise is up to you.

WE MAKE IT EASY!

We will set up, give the attendants instructions and training, then come back at the end of your event and clean the unit, pack it up and take it away. All you have to do is get permission to set up, have attendants to take money, and monitor the children inside.
