

**Morris 8 Ball Pool League
2020-2021 Season
Welcome to all Players!**

YEAR END from last year will be Sat. Dec. 5th @ Wheaton Liquor

Start Date: Thursday October 15, 2020

Please be courteous and flexible of other teams if they need to switch nights.

Start Time: 7:00pm – If none of the players from one of the teams is not present by 7:15, that team will lose a match every 10 minutes until someone is present. Total forfeit at 8:00pm. Call if you need a later start time.

Matches must be made up from 1st half before we start 2nd time thru or no points, matches from 2nd time thru must be made up by last night of scheduled league play or no points.

Cost is \$8.00 a player (RACK YOUR OWN RACK) \$16.00 to play pool, \$48.00 in envelope

\$1.00 per player per night will go towards year end tournament

You will play every team twice. Teams will be ranked by rounds won and paybacks on total points

You can email a picture of your score sheet to leagues@gamesunlimitedinc.com if you would like and then mail it with the money.

If you played last year then use that handicap for 1st night of play, new players will have to figure handicap after the match is over. On the 2nd night, average last years with first nights of this year and use that average.

10 – 7 scoring system. A win is always 10 points and loser of match gets 1 point for each ball pocketed. Each round is worth 1 point, total points is worth 1 point, for a total of 5 round point wins. On team averages whichever team has the lower team average gets the extra points, does not matter where they are in team standings.

Lowest handicap a player can be is 4.

Handicaps are fractioned, round up or down. Example: 6.25 is a 6, 6.50 is a 7.

If the object ball you are shooting at is the 8 ball and you scratch and do not make the 8 ball it is just a foul – ball in hand – not loss of game. If you make the 8ball and scratch then it is loss of game

Be courteous of other players and do not be on your cell phone when you are playing a match

Ball in hand rules, no patch on 8 ball shot just make sure and call your pocket

No coaching or time outs. Be courteous on length of time a shot takes, keep the game going.
