BRINGING BURGERS AND BURRITOS TOGETHER ... A LOVE STORY

Steve Frias (a.k.a. “Fries”) grew up in his parents’ restaurant, Boca Chica Restaurante in St. Paul. This is where he learned his craft. The burritos on our menu are made the way his mom and dad taught him, updated with a few new twists. Steve is famous for saying, “Everything tastes better in a tortilla.”

Steve has a second food-love: hamburgers. His favorite is the classic COLT burger – a big, juicy patty smothered in Cheese and topped with Onion, Lettuce, and Tomato. No matter where Steve and Marie traveled, the two of them had to find the best local burger joint.

And baseball ... Steve and Marie both love baseball. Steve coached Little League in St. Paul for over 30 years. When she was little, Marie was always at her dad’s side on the field. They both have fun going to Twins games, and travelled to the Little League World Series in Williamsport, PA several times. The inside of Peppers & Fries reflects this devotion to all things baseball.

In 2014 Steve decided to bring his two food loves and his adoration of baseball together under one roof. He asked his daughter Marie (who he also loves!) to join him and ... Peppers & Fries was born. We hope you’ll love our burgers and burritos as much as we do. Tip: they both go great with one of our local craft beers! Thanks for coming in. We’re really glad you’re here!

Gluten-Free: Please keep in mind that any items prepared without gluten products are made in a kitchen that handles many other wheat products. During normal kitchen operations, there is a possibility for food items to come into contact with wheat gluten/proteins.
