**For all members that visit our website: How I Met Robert Rooney.**

**I first met Bob Rooney in January of 1992 when I was first assigned to the Maintenance section of the 181 Engineer Company in Whitman, MA. We served together through the summer of 1995 when I was then reassigned to another unit within the Massachusetts Army National Guard. Through the years we always kept in touch both in and outside the work environment.**

**Bob Rooney was the consummate professional and the ever reliable steady force that could always be counted on no matter what the issue was.**

**It was indeed my privilege to have known this fine man and uniquely qualified soldier.**

**Sincerely**
