

**Attention Speed Week Entrants:**

Because of the Speed Week Program deadline revisions and to give us time to process the increased entries expected this year, we **MUST have your entry in the SCTA Office by May 1**. We will not accept entries received after May 1 although they may be postmarked before that date. We will not accept your late entry and will return it if it arrives after May 1. You will not be entitled to the Early Entry discount regardless of circumstances.

Thank you for your cooperation,

Pat McDowell  
BNI Chairman
