Donna Bouterie and Carole Martinez gave a presentation on Depression Glass and our Club to the Women's Philanthropic Organization of Mandeville on November 15th. Had about 30 women there, most of whom had pieces they either brought for identification or had at home. It went very well. We gave out a couple of sets of complimentary show tickets and distributed show fliers.

Roster corrections and additions:

****Please add New Member Allison Clark to your Rosters.** 2031 St Philip St., Apt. 3, New Orleans, LA 70116, phone: 704-606-0671, email: thirry3@gmail.com, BD 06/05.

****Correct Jean Hebert's phone number to Cell Phone: 504-259-1412**

****And add Carol Joachim, Danielle Joachim, and Connie Murphy to your list of Committee Chairpersons for Summer Social on the inside back cover of Roster.**

Fossil Collection

by Al Melillo, member of the New Orleans Geological Society, retired from Chevron

Al became interested in fossils around the age of 10-12 in New York/New Jersey area where he grew up. He began collecting rocks around streams and in the wooded areas after spending time at the local museum. He brought fish fossils (400 million years old), petrified wood (100 million years old), geodes (10 million years old), sharks teeth (100 million years old), shells/nautilus (110 million years old), and Dinosaur bone fragments to share.

Thank you Al for sharing such an interesting collection!
