Bethlehem Presbyterian Church

- Our beliefs are based on the teachings of the Bible, and the practices of the early Christian Church.
- We believe that we are part of the universal Church of Jesus Christ, and that the Church is to be ruled on earth, under the leadership of Jesus Christ by representative form of government.
- Our theology is based on the idea that Christian faith and life are not rigid, but are always being reformed by God's Word.
- Further, we believe that God chooses to be active in word and deed in the world in which we live, and that every person is called to be responsive in everything to the will and the activity of God.
- We believe that Jesus of Nazareth was God incarnate, (in human flesh), and that he came to earth to reveal God to us.
- We believe that by his death our forgiveness was achieved, and that by his resurrection the power of God over death was displayed once and for all.
- We believe that God created the universe, and that God will heal and redeem the universe.
- We believe that we are called to demonstrate the love of God to the World, and in every way to display our trust in God.
