CYBERSECURITY TIPS

If you have an account online, it's highly likely that cybercriminals have your login, and quite possibly your personal information. Cybercrime, including data breaches, are occurring daily. One such data breach involved 772 million usernames and passwords, some of which were from older leaks, but new ones also were discovered. What this means is that the data, and likely yours, is being sold to criminals looking to use your information for cyberattacks and phishing scams.

What should you do to keep your information safe online? Here are some tips that can help protect you against cyberattacks and phishing scams.

1. Always think before you click! Be sure where a link will take you before you click. Hover the cursor over a link to see a preview of the URL; this will allow you to check the link's destination beforehand. If the destination looks suspicious, don't click!

2. Practice good password management. Do not use simple or commonly used passwords. Use a combination of letters, numbers and symbols, or a pass-phrase consisting of multiple words, when possible. Change your passwords frequently, do not use the same password for all your logins, and do not use past passwords.

3. Track all of your online accounts. Don't trust that you're the only one accessing your sensitive accounts — review activity on a regular basis. If you find suspicious activity, report it quickly to prevent as much damage as possible, and immediately change your password.

4. Do not click on pop-ups. Phishing pop-ups try to trick users into believing that they're a part of a legitimate site. Don't click anything on such a pop-up. Close the window if possible, or use Task Manager to close the browser.

5. Install antivirus software. Antivirus programs scan incoming files for malicious data, while a firewall blocks access to your system. Consider using a Next-Generation Firewall (NGFW) for additional protection.

6. Update applications and browsers. There's a reason you are continually prompted to update applications, such as Adobe, and your web browser. Updates are pushed out to keep pace with new threats. Staying on top of these updates will help guard against vulnerabilities.

7. Use Multi-Factor Authentication (MFA). MFA requires the user to know their password, as well as approve that they are attempting to log in. Some forms of MFA include things you "know," "have," and "are."

8. Judge everything. Cybercriminals use phishing traps to replicate real sites, but they are usually filled with small mistakes that give them

away. Look for signs of a lack of attention to details like poor design, misspelled words or broken links.

9. Use skepticism. Phishing attacks want you to act quickly without thinking too hard about the request. Use caution and remember step 1 – think before you click!

10. Backup. Backups are a great, simple way to recover from a disaster, be it a natural disaster or ransomware. If you get hit by ransomware and you have a good backup of all your data, you don't need to pay the ransom; you can restore data from a backup.

NALS OF GREATER KALAMAZOO BOARD OF DIRECTORS February 5, 2019

The February Board Meeting was held on Tuesday, February 5, 2019, at Miller Canfield. Minutes of the December and January Board meetings were approved. The Treasurer's report for January was approved subject to audit. Committee reports were given and discussed, including Education, Ways and Means, Employment, Membership, and Programs and Reservations. **A new Schwan's campaign has started, with Campaign ID No. 44474. This will be the last campaign for Schwan's, as they are discontinuing the program. So buy, buy, buy!** Pam Wilcox has been distributing applications. April 1, 2019, is the postmark deadline for scholarship

applications. We had only two people sign up for the Big Brothers/Big Sisters bowling event on February 16, so we will not be participating. NALS of Michigan will be offering a CLE program in Cadillac on February 16, 2019, which will also be available online via Go-To-Meeting. Tami Carl has arranged for viewing the presentation at Miller Johnson's offices for those who might be interested. The Board approved purchase of a full page ad in the NALS of Michigan 2019 Annual Meeting Program at a cost of \$100.

Next board meeting will be held March 5, 2019, at Miller Canfield at 6:30 p.m. It will be preceded at 5:30 by a planning meeting for the 2019 NALS of Michigan Annual Meeting. Bring some snacks and come out and join the planning team! We need all chapter members to step up and help with this annual meeting!

NOMINATIONS COMMITTEE

Since our January General Membership meeting was canceled due to the weather, a Nominations Committee for 2019-2020 officers will be selected at the February General Membership meeting. If you are interested in serving on the committee (or serving as

an officer), please contact President Michele Guyman.

Since our January General Membership meeting was canceled, we have re-booked the speaker, Blake Padgett, for our April General Membership meeting. Attorney Padgett will speak on the recent passage of Proposal 1 from an employment lawyer's perspective.

The April General Membership meeting will be held on Tuesday, April 30, 2019, at the offices of Miller Johnson. Our normal meeting night would fall on April 23, which is a couple of days before the NALS of Michigan 2019 Annual Meeting starts that is being held in Kalamazoo (and for which we are the host chapter). Therefore, we have moved the April General Membership meeting to the following week, on April 30. We will install new 2019-2020 officers at that meeting as well.

BOWL FOR KIDS' SAKE

Unfortunately, we had only two people sign up for the Bowl for Kids' Sake on February 16, so we are not participating this year. However, we did make a \$100 donation to Big Brothers/Big Sisters on behalf of our chapter.

We've started a new Schwan's Fundraising Campaign!

Get delicious food delivered to your door!

NEW CAMPAIGN ID: 44474

Beginning **January 14** we are once again eligible to earn **20-40%** for 45 days (until February 28), and then 5% until April 30

Go to our campaign and make your purchase today!
www.schwans-cares.com/c/44474

Purchase a \$25 gift card (which you can use with your first purchase) - or give it to a friend or family member and add them to your team - and Schwan's will donate \$10 back to us!
