To the Sherburn and Welcome City Councils,

The department logged 162 calls for service for the month of September. This brought the total for the year to 1,496. The department logged 1,584 calls in 2016 and 1,334 calls in 2015 for the same reporting period.

The department response time stood at two minutes and 35 seconds. This is about average for the department.

The department web-site had 3,246 visits last month. This number seems to be growing each month. Where we use to average around 1,200 visits per month, we are consistently seeing over 2,500 visits each month now, so the site is definitely getting used.

We have two new part-time officers who have started for the department. Officer Dayton Asmus began with the department in early September. Dayton is originally from Fairmont and this is his first job in law enforcement.

We also are just starting to train in Officer Cory Danner. Cory lives in Estherville and works full-time for the Estherville Police Department. He is looking to work here part-time to keep his Minnesota license active.

We will still be adding two more part-time officers in the next few months. It has been some time since we have had this many part-time officer, but remember that regardless how many part-time officer

we have, it does not cost the department anything extra as they work on a strictly fill-in bases.

The department is starting a new project this year. We have decided to implement "Shop with a Cop" in the community. This is a chance for the department to work with families that may not have the financial ability to have a memorable Christmas. We will select some children based on recommendations and take them shopping for Christmas presents. We will then bring them back to the department and wrap the presents and have a pizza party with them.

Officer Smith is spearheading this project for the department and I sincerely hope that it is successful.

I hope everyone gets a chance to enjoy the fall weather in between rain days.

Sincerely,
