DESCRIPTION: This Stemmler is in excellent condition. Factory installed stabilizer and quiver bushings. Bow has no delamination; no cracks; limbs are straight. Tips are in great condition. No drilled holes; No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. The Stemmler logo and specs label had been removed (a previous owner may have cleaned the limb with acetone and wiped it off), so I put on a new decal with the Make and Model of the bow.
