Freedom Center Ministries, Inc.

January 2015 News

Greetings Friends and Family,

Thinking of you often from the mountains of EKY. Freedom Center has served over 300 precious individuals since early January with shoes, coats, blankets, and other essential items. Several folks received help with benevolence through sickness and winter bills. We are now doing a Bible study "Agents of Apocalypse" at Cumberland Missionary BC and sharing with FC folks some of the truths of the Rapture in 1st Thessalonians. Also, a study of God's purpose of birds in Noah's Ark with our local friends. Please pray for the harvest!

Winter Project: Throughout the months of January and February (on Mondays, Wednesdays, and Fridays from 3 p.m. until 6 p.m.)...Tri City missionaries and some local folks have been united to give assistance to ones in need. The Winter Emergency Effort (WEE) is a project to give a nutritious hot meal, warm blanket, and encourage folks with the love of Jesus. Matthew 25:35-40

Thanks for praying.

The first "WEE" project night went slow but Robin and I made one new contact over a bowl of soup. Tim said he is a Christian, as we talked he shared a testimony. We invited him to FC for work clothes and boots. He was excited to receive a pair work boots and other needs.

Each WEE night more folks have come...different ones have shared their music talents: playing guitar, mandolin, and singing praises to our King Jesus! It has been a joy hanging out and joining the sing around...learning mountain gospel and praising our Lord with brothers and sisters. Some folks need a little nudge so I encourage them to sing...later one guy said I normally do not sing in front of folks. Another friend has extended his talents to teaching a young boy to play the guitar.

Tommy and Patrick: Jesus is good; good to me!

Breaking bread together spiritually and physically

Well in the South and the KY mountains we know one day maybe sunny/50 and the next snowy/20. Robin and I went up to Kingdom Come State Park after ministry one day to explore God's wintry creation. We found the lake frozen and all was still.

Hope for Appalachia...Easter project!

Just as an example of why we do what we do, here is a letter from one of the kids.

I really like what you have done for me in the last couple of years. I loved the jacket you gave me last year I loved it. I would wear it every day if I had too! I love school and everything God has made on this earth. Without Him we wouldn't be here on earth or anything. I really thank you for the stuff you have brung to my home school in Wallins Creek of Kentucky, I love you all for what you have done for us kids in school. I hope you have a great Happy Easter with your families talk to you guys later love ya bye!
Love, Brittany
