Letter of Appointment: My World and World We Want 2015 Global Youth Advocate

Mr. Carlo Andre Angeles Manturano
Peru

In recognition of your commitment in advocating and mobilizing support for MY World and the World We Want 2015, we are pleased to appoint you as a *MY World and World We Want 2015 Global Youth Advocate*, under the guidance of United Nations Millennium Campaign and Policy Strategy Group Co-chairs.

The United Nations Millennium Declaration was adopted in 2000 by world leaders, committing their countries to a new global partnership to reduce extreme poverty and setting out time-bound goals on meeting the needs of the world's poorest. These goals, to be achieved by 2015, formed the basis for what are now known as the eight Millennium Development Goals, which have been broken down into 21 quantified targets that are measured by 60 indicators.

In response to the UN Secretary-General's call for the Post-2015 development agenda to be inclusive, open and transparent with multi-stakeholder participation, we are taking the lead in designing and implementing a strategy for outreach to stakeholders; both within and outside the UN in an attempt to bringing the voice of citizens, civil society and the myriad of other stakeholders directly into the debates and conversations that will shape the new development agenda. As you know two of our flagship programmes in this endeavor are the MY World Global Survey and World We Want 2015.

Given your extensive experience in the field of advocacy and youth engagement, we hope as a *MY World 2015 and World We Want 2015 Global Youth Advocate*, in accordance with the Terms of Reference, you will effectively create more awareness and inclusive involvement from youth around the globe for MY World 2015 and World We Want 2015.

Yours sincerely,
