

## Coffee & Brews

**Silver Horse Coffee** can provide a rich, aromatic selection of delicious espresso-based beverages and other specialty drinks. We offer West Coast style artisanal roasts from **KLVN Coffee Lab** of **Pittsburgh, PA**. We can cater almost any brewed beverage including cappuccinos, lattés and drip coffee.

For the tea-aficionados in your party, we serve gourmet chai lattés, matcha green teas, black teas, and a variety of hot and cold herbal teas.

Our baristas can prepare espresso-based drinks in a variety of popular ways: hot or iced. We use whole milk, low fat milk, soy, coconut, or almond milk, upon request.

We also feature popular seasonal and local flavor shots, like locally produced organic honey and maple syrup. We use only the best organic Holy Kakow cane sugar and Torani Italian sugar-free syrups to create pure intense flavors.
