WHAT'S GOOD

A Marketplace for Nightlife

Overview

- What's Good is a mobile marketplace app that connects Promoters with prospective Patrons looking to go out and spend money on nightlife
- Promoters get more business to their venues and earn extra money on the side through the app
- Patrons can connect directly to the nightlife market makers ensuring the best price, negotiate table or bar minimums and avoid lines and hassles at the door

Nightlife

Events

*Non-negotiable
Price*

- Cover
- Open Bar
- Etc.

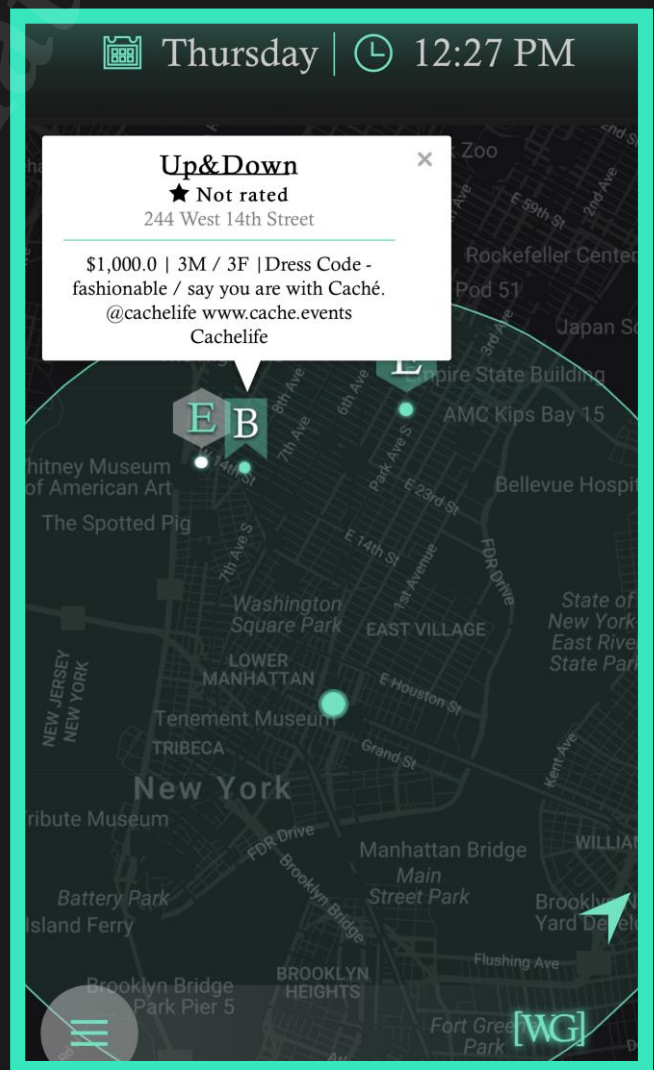

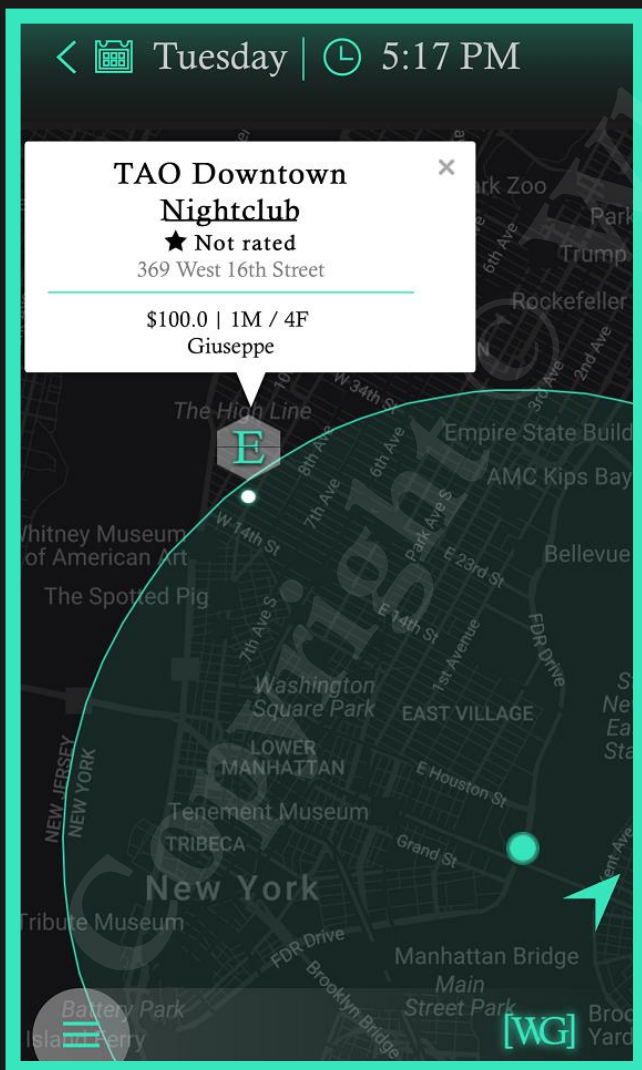

Bookings

*Negotiable
Price*

- Table Service
- Bar Minimum
- Etc.

Functionality

- À la Uber
- Patrons browse nightlife options near them via map, list or search

Business Model

- À la StubHub
- Patrons are charged a 15% fee: 5% for the Promoter and 10% for WG

Connect & Chat

- Once connected, Promoters and Patrons can have a conversation right in the app

Ratings

- Quality control through a 360 ratings model

Benefits

Promoters

*More Business,
Money &
Control*

- Connect with people looking to spend money on nightlife
- Earn a fee on each transaction (5%)
- Patrons pay the listing price at the door so your Venue relationship remains the same
- Better crowd management through Crew (M/F) feature and 360 ratings model

Patrons

*Direct Connection
to the Nightlife
Marketplace*

- Compare prices across venues and neighborhoods
- Deal directly with the market makers to get the best deals, avoid lines and hassles at the door
- Negotiate prices for listed Bookings or make a blind bid
- Promoters can then suggest nightlife options

Problem Solved

“It’s a great idea because clubs are so easy for models...but so hard for everyone else...”

-Anonymous Model
