

Wellness Form For Classes with Stephani Morancie

A wellness form is required if your puppy/dog has been in your possession for less than 3 months.

Why we require a wellness form?

We have instituted our policy to help avoid the spread of any illness or parasites that may not have been obvious prior to your puppy/dog arriving in your home.

Submitting the wellness form

This form, a letter or email from your veterinarian stating your dog appears to be in good health must be submitted prior to your first class.

A copy of this form may be emailed to stephani.morancie@gmail.com or mailed it to Stephani Morancie, PO box 304, Palmyra, ME 04965

If you have questions please contact Stephani stephani.morancie@gmail.com

Statements of wellness prior to your dog being in your possession will not be accepted as an option.

Owner's Name
Dog's Name

The above puppy/dog has been seen at our practice. This dog is up to date on state required and kennel cough vaccinations as appropriate for their age and health. This dog appears to be in good health and free of parasites.
