

Winter Sports Clearance Info

Winter Sports are just around the corner, and in order to participate, students must be fully cleared through Aktivite at www.registermyathlete.com. If you are a returning athlete, and have not done so already, please take a moment, and update your students profile to this current school year 2023-2024. Once the year is updated, you can then select the sports your student athlete will participate in.

The following documents are needed in order to be cleared to try out.

1. AIA 2023-2024 Physical Document - We cannot accept any other forms of Physical documents. The physical packet must be the AIA Physical forms, and for the current school year. ALL 6 pages must be uploaded. Make sure the doctor signs off, and checks one of the boxes on the last page.

2. Consent to Treat Form - Must be for this current school year, and signed.

3. Emergency Consent Form - Please make sure everything is filled out entirely, including the Statement of Insurance, and all signatures have been collected.

4. (If not done so already) Brainbook and Opioid course at [www. aiaacademy.org](http://www.aiaacademy.org). - Please complete the Brainbook and Opioid course, and upload the certificate once both courses are completed. This is typically done your freshman year, and only needs to be done once.

5. Impact Test -This is done with our Athletic trainer. Please keep an eye on ACTIVATE emails that will have dates and location for Impact. The following sports need an IMPACT Test:
Winter: Basketball, Soccer, Wrestling.

It is very important that each document is uploaded under the correct tab. Do not just upload all documents under each tab. It will be rejected. If you are unable to upload, you can bring it to the front office, and they will upload it for you. Students cannot check out their athletic equipment until they are cleared through ACTIVATE. If you have any questions please call 480-752-8770. Thank you, and look forward to our 2023-2024 school year.
