

Dear Parents & Guardians,

Enclosed with today's news are two important letters regarding safety at our school. One is from the ADW Superintendent of Schools, detailing the ALICE Program. The other is a review of our carline safety procedures for morning drop-off and afternoon pick-up. Please make sure that anyone who drops off/picks up your children is aware of these policies.

PE classes take place outdoors on Thursdays and Fridays and utilize the parking lot and playground areas. Ropes are put across the parking lot entrances so that vehicles do not enter during these times. **DO NOT REMOVE THESE ROPES**, even if the children are not in the parking lot at the time. If you need to come into the school, please park in the spots by the water. The carline should stay parked single-file on the road until the ropes are removed.
