

Gun Permits

Can I get a gun permit?

Permits to purchase firearms and permits to carry them in public are two separate applications. Permits to purchase firearms for Spring Lake Park residents can be obtained at the Police Department. Permits to carry firearms are processed through the County Sheriff's Department in which you live. Please contact them directly for additional information.

Permit to Purchase

Effective March 2, 2015, we will only accept the "Permit to Purchase" form with the revision date of 3/2015. To obtain this form click on the link for the [application form](#).
