Why should you choose Island Hoppers for your scuba lessons?

Island Hoppers is a full service scuba store providing all of your scuba needs including equipment, air fills, servicing of equipment, and travel trips. We are a PADI 5 Star IDC facility which means we continually stay up to date on training standards, have the quality of our air tested, and we train instructors. You will train in the most current equipment available including Atomic Aquatics Regulators and weight integrated BCDs. We are the only store in Tennessee that supplies you with this level of equipment. We do ask that all students have their own mask, fins, and snorkel for lessons to make certain that you have a great time and no fear of someone else's germs.

Island Hoppers promises to always do what is best for you even if it means referring you to another facility. Plus we promise no "Gotchas", some stores have add on fees totaling over \$150 by the time you are finished.
