

501-25 sets a new standard for electric height adjustable desks.

This beautifully designed desk frame has interchangeable brackets that work with *501-27* and *501-29*; a great option for stocking dealers.

Removable top bracket allows for easy installation of keyboard support.

Extremely stable with 176 lbs* as the maximum load makes it a sound choice.

See specifications on pages 28-31.

* Maximum load on the 3-legged frames are 160 lbs.
