

NOVEMBER MEET TOP TIME CLARIFICATION

To All,

At our November Meet, we had some confusion concerning the Top Time of the Meet & in this case Top Time of the Year.

Car #7800 put down an amazing run of 283+ MPH!

Unfortunately they were running as a Rookie & had been given a speed limit of 250 MPH. As is the case with all Rookies who exceed the given limit the run does not count. The run was a thing of beauty, but as they say.....RULES ARE RULES.

Shortly after that run, car #788 put down a sizzling run of it's own at 274+ MPH! Both vehicles displayed PERFECT shutdown & turn out ability. Thank you both for that!

So with all that being said we will be awarding car #788 Top Time of the Meet & Top Time of the Year. Congrats!!

To car #7800, thank you for your understanding & we look forward to more blistering runs in 2018!

To both drivers, Mr. Rick Yacucci & Mr. Bob Dalton & also Mr. Pete Belich ,who is our Rookie Orientation Coordinator, I extend my sincerest apologies for any confusion in this matter.

I hope we can make this a happy ending to a very trying year!

Thank you for your time.....Pat

MOVIN' ON!.....
