Call to order at 6:00 PM
Pledge of Allegiance

1. Minutes of 2/18 meeting were accepted as written. At 2/18 meeting the minutes of 2/4 meeting had been accepted.
2. Continued discussion of the remaining issues with the ordinance revisions: coming closer to understanding that this revision of the ordinance simply allows the system to be managed in a proper and fair manner, allowing for a bit more use and lowering the flow rate for all users. Anything beyond this will require another go around with the ordinance. All agreed that the ballot question needs to be carefully worded and framed, and needs to be tied to the information we'll be putting out in the campaign.
3. WWC will meet next Thursday, March 3. at 6pm for a final review of the language and to push a recommendation regarding the ordinance to the BOS at their meeting March 8.

Adjourn 7:45 pm.
