A Canine Experience is a multi-club, multi-sport event that introduces and welcomes owners of newly AKC-registered puppies to educate them about the sport of dogs. The day-long event features educational presentations and provides an opportunity for potential owners to be mentored by experienced exhibitors and club members prior to an afternoon match, during which new exhibitors and future fanciers practice their newly learned skills.

At day's end, please be sure to collect your trash and take it with you.
