

TEXAS OASIS

Dementia Training Academy

"We did the best with what we knew and when we knew better, we did better." — Maya Angelou

The OASIS Dementia Training Academy is still available.

If you attended the Oasis Academy and would like additional training, contact :
JointEd.Services@dads.state.tx.us

If your nursing facility missed the Oasis Academy in your region, and you would like to schedule a training, email: TQM@dads.state.tx.us

You will receive the curriculum on a flash drive, as well as the DVD "Bathing Without a Battle," to train staff within your facility.

Focused on Dementia

This training is dementia specific, with a focus on dementia basics; person-centered care; behaviors; assessments and care planning; abuse, neglect and exploitation; sexuality in dementia; cultural and socioeconomic considerations; and alternative interventions.

Who should attend?

Anyone who provides care to nursing facility residents with dementia.

How to locate a training

Visit the HHS Quality Monitoring Program (QMP) website at hhs.texas.gov/qmp

Texas OASIS: Dementia Training Academy is hosted by Texas Health and Human Services in collaboration with Dr. Susan Wehry.

Continuing Education

Texas Department of Aging and Disability Services – Regulatory Services Division is an approved provider of continuing nursing education by the Texas Nurses Association – Approver, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

The Texas Health and Human Services Commission Medical and Social Services Division is an approved provider of continuing education credit for licensed social workers. HHSC is offering an estimated 11.25 CE/clock hours to social workers, licensed nursing facility administrators, nursing facility activity directors, and certified nurse aides.

Stay up to date! Be sure to follow the [Texas Nursing Facility Quality Improvement Coalition](#) on Facebook.
