

## TUITION INFORMATION 2018-2019

\*Prices valid as of June 1, 2018.

### **Infants 1 \$200**

Children ages 6 weeks to 12 months and walking/cruising Ratio 1:4 and 1 floater. Max number of children 8.

### **Infants 2 \$200**

Children ages 12 months to 20/22 months or when they start eating with little help, weaned from the bottle, taking 1 nap, sleeping in a cot. Ratio 1:5 and 1 shared floater Max number of children 10.

### **Toddlers 1 \$195**

At least 20 months, must be eating on their own, taking 1 nap, sleeping on a cot, weaned from the bottle for the toddler 1 room; they stay in this room until they turn 2.5. Moving to the Toddler 2 room depends more on being able to participate in curriculum activities, and working with less supervision more than age. Ratio 1:6, max number of children 12. But we try to keep it lower than that at all times as we know this is a challenging age.

### **Toddlers 2 \$190**

2.5 y/o until they are 3.5. Must be able to self-feed all meals, able to participate in directed activities for curriculum and free play. Ratio 1:7 max number of children 7.

### **PreK \$180**

3.5 to 5 y/o. Must be potty trained, able to sit down and follow directions during curriculum time as well as capable of doing free play without direct supervision. Ratio 1:9 max number of children 8.
