## **Baron and Baroness:**

Greetings unto the Hall,

Spring has finally arrived and we all know what that means: outdoor practice and event season! Martial practice will be starting at Memorial Park in Appleton in the next few weeks and We would like to encourage everyone - fighters, archers, and noncombatants alike - to come out and enjoy the spring weather. Noncoms, bring a hand project or just enjoy some social time with the barony.

Event season is really ramping up with multiple kingdom events in the next couple months, as well as our own demo at the Weyers-Hilliard Library in Green Bay the first Saturday in June. We are hoping to have a low-key Moot the following day for any potential new members from the demo - stay tuned for details. For anyone who is still undecided about their event plans, We have included below Our schedule. We may not have a full baronial presence depending on the nature of the event, but We invite the populace to join us regardless.

We've had a lot of offices change hands over the last few months. Thank you to these new volunteers, especially anyone who is holding an office for the first time. Likewise thanks to all of the out-going officers for their service to the Barony. We can't - quite literally - do this without you. If you have any questions or need assistance in the fulfillment of your office, please reach out to Us.

Looking forward to warmer weather,  
M+H
