DESCRIPTION: This vintage Indian Apache bow is in exceptional condition for its age. Robin egg blue face limbs and white back limbs. Comfortable grip. The massive riser absorbs shock and makes for a smooth shot. Bow has no delamination; no cracks; limbs are straight. No drilled holes; No chips, dings or cracks. No crazing or stress cracks; A few minor scratches and nicks here and there. There is one filled scratch in the fiberglass just above the sight window (see pic on last page). Decal is a reproduction. Overall, this is a really nice bow in excellent condition for its age.

Comes with a new string.
