PATIENT INSTRUCTIONS

Thank you for choosing our physicians at Virginia Brain and Spine Center, Inc. for your health care needs. We are committed to providing the very best medical care and treatment. The following is a description of some of our practice policies and guidelines for patients. Please read this before your first appointment.

MEDICATION MANAGEMENT: Virginia Brain and Spine Center does not provide narcotic medication management services to our patients. If you require narcotic medication management please consult your primary care to obtain a referral that will better suit your needs.

PRESCRIPTIONS: All medication refills are done during working hours on Monday through Thursday only. You may have your pharmacy call directly to request a medication refill. Please allow two working days for the prescription to be processed. If you need a new written prescription, please allow 5-7 business days for the prescription to be processed. We are unable to refill prescriptions after hours so allow enough time before your prescription runs out. There is a \$10 recovery fee for all prescriptions that are sent via certified mail.

MISSED APPOINTMENTS: Please notify us as soon as possible if you are unable to keep a scheduled appointment. We appreciate a minimum of 24 hours notice so that we can use this time for someone else who is waiting for an appointment. Abusive missed appointments may result in your dismissal as a patient.

RESCHEDULING: As a surgical practice, emergency situations arise that may result in the physician being called away to the operating room. As a result, your appointment may need to be delayed or rescheduled. We will do our best to notify you in order to give you the opportunity to reschedule before arriving for the appointment. During these times we appreciate your patience and understanding.

MEDICAL RECORDS: To obtain copies of your medical records you must sign a Medical Release form. There is also a small fee of \$10.00 plus \$0.50 per page. These fees, set forth by Virginia State law, must be paid in full before your request will be processed. Please allow 5-10 business days for processing. Fees are subject to change without notice.

FORMS: Forms, including, but not limited to, disability or worker's compensation, will be filled out at the physician's discretion. The fee for completion of these items is \$5 per form. All fees must be paid in full before the forms will be produced. Please allow 5-7 business days for processing.

EMERGENCIES: If you have a health care emergency then call 911. If you need to speak with a physician after hours then call the Winchester Medical Center operator at 540-536-8000 and ask to have the physician on call paged. For routine questions and concerns or for prescription refills, please call our office at 540-450-0072 for Neurosurgery Department and 540-450-2339 for Pain Management Department. If your call is not immediately answered by our staff then please leave a message and your call will be returned in order of priority within 24 hours.

NEEDLE STICK POLICY: I authorize any physician, hospital, or medical care facility to provide all my medical history and treatment to Virginia Brain and Spine Center. I authorize Virginia Brain and Spine Center, Inc., to test my blood for hepatitis and for the AIDS virus, if in their opinion, an employee of Virginia Brain and Spine Center, Inc. has suffered an exposure incident as a result of my treatment defined by the Occupational Safety and Health Administration. A law was enacted in 1989 and amended in 1993 which authorizes health care providers to test their patients for HIV, Hepatitis B and C antibodies when the health care provider is exposed to the body fluid of a patient in a manner which may transmit these antibodies. Pursuant to this law, in the event of such exposure, you will be deemed to have consented to such testing and to the release of the test results to the health care provider who may have been exposed. You will be informed prior to your blood being tested for HIV, Hepatitis B or C antibodies. The testing will be explained and you will be given the opportunity to ask any questions.

FINANCIAL POLICY

The following is a statement of our Financial Policy, which you must read, agree to and sign, prior-to treatment. Our Financial Policy applies to all service rendered by our physicians and staff whether inpatient or outpatient.

Practice Payment Policy Guidelines:

- **Patients/(guardians) are financially responsible for all charges, regardless of third-party involvement.**
- **Full payment is due at time of services, unless prior insurance billing arrangements have been made.**
- **Patients with insurance will be required to pay all ‘out-of-pocket’ financial obligations at time of service.**
- **We accept: Cash, Check, Bank Debit Card, the following credit cards: Visa / Master Card / Discover.**
- **Practice will bill non-par insurance as a courtesy to the patient. The carrier should pay the practice and in the event that the carrier pays the patient, the patient must turn funds over to the practice in 5 business days.**

Patient Responsibilities and Financial Policies:

Provide Accurate Information: You have a responsibility to provide accurate and complete information about your health history, mailing address, health insurance and other billing information. If any information changes – name, address, phone, insurance coverage, etc. – you must inform this practice immediately. Insurance denials or billing errors due to patient supplied information will result in the transfer of the account balance to the patient’s immediate financial responsibility.

Know Your Insurance Coverage, Benefits and Referral Requirements: Your health insurance is a contract between you and your health insurance plan(s). Patients are responsible for understanding their health insurance coverage(s), benefits and referral requirements to receive diagnostic and therapeutic services from our physicians. Patients are responsible for securing the necessary written Referrals, Pre-authorizations or Pre-certifications from your primary care physician or health plan prior-to services rendered. If we have not received the necessary authorizations prior-to your appointment, the appointment will be rescheduled. Please present your Insurance ID card to our staff upon registration for each office visit.

Self-Pay Patients: Patients without insurance coverage are expected to pay for services received in full at time of service, unless a satisfactory payment agreement has been arranged with our billing manager prior-to services being rendered.

Patient with Private Insurance / Medicare / Medicaid Coverage: Our physicians participate with the Medicare and Medicaid Programs, and with most major insurance companies. We will file claim(s) to your insurance provided you authorize the ‘assignment of benefits’ below for payment directly to our practice. For participating insurance plans, the practice will accept payment based on contractual agreements. For plans that we do not participate (i.e., there is no contractual agreement), the practice will expect full payment from the patient at time of service. Any coverage or payment dispute is a matter between the insurance policyholder and the insurance company.

Patient Payment Agreement:

I understand that I am financially responsible for all charges regardless of third-party involvement. I agree to pay any deductible, coinsurance, co-payment, or services deemed as “non-covered” by my insurance carrier at the time of service. If my insurance has not paid on my account in 60 days, the outstanding services will become my responsibility for immediate payment (unless Medicare and Medicaid). Should any balances arise due to insurance co-payments, co-insurance, deductibles, termination of coverage, non-payment at time of service and/or any other reason, I agree to pay all charges within 30 days of notice. I understand that if I fail to pay outstanding balances or make payment arrangements within 75 days, the amount due will be considered delinquent and subject to outside collection action. I further understand that delinquent accounts will be assessed a 1.5% interest charge per month (18% APR), and the possible dismissal of the patient from our care. If my account is forced to ‘collections’, I agree to pay all collection costs, including, but not limited to, court costs, attorneys and any other costs incurred for the collection of this debt fees equal to 40% of the amount owed, and accrued interest charges to date. I agree to pay a \$25.00 returned check fee. Copies of my medical records can be obtained with advanced notice in accordance with §8.01-413 of the Code of Virginia, with charges not to exceed \$0.50 per page for the first 50 pages and \$0.25 per page thereafter, in addition to a \$10.00 handling fee plus postage expense. The completion of special forms or reports has a minimum charge of \$25.00 for each form. Fees subject to change without notice.
