

JOHNSON FARMS

HOTLIST 10/5/17

Chamaecyparis ob. 'Fernspray Gold' #3

Classy, arching sprays of golden, fern-like foliage decorate *this plant*. Each unique, flattened branch tapers to a point, just like a fern frond does

ALL Anemone #2- BUD/ BLOOM

'September Charm'

'Lucky Charm'

'Honorine Jobert'

'Whirlwind'

Callicarpa dicho. 'Early Amethyst' #3

Massive quantities of small, ornamental, amethyst-colored fruits appear along the slender, arching branches, following the clusters of small, pinkish lavender summer blooms. Green foliage gives way to gold fall color. An easy to grow hedge or foundation plant

Cornus ser. 'Bud's Yellow' #3

Expect a display of color through the seasons from this fast growing yellowtwig dogwood. Clusters of fragrant little white flowers appear in spring and continue throughout summer,

Osmanthus Goshiki #3

Upright branches are covered with leathery, dark green leaves. Black, berry-like fruit is produced fall through spring. Withstands heavy pruning quite well. Thrives in moist soils and is shade tolerant. Evergreen.

Prunus l. 'Schipkaensis' #10

A handsome shrub or small upright tree for filtered sunlight or dappled shade. Glossy, medium-green foliage with a refined look on a dense, vase-shaped form displaying a layered effect

ALL EMERALD GREEN TOPIARY

3-4' 3 Ball Topiary

3-4' Spiral

4-5' Spiral

5-6' Spiral

Chamaecyparis 'Boulevard' #3

This popular, silvery blue tree boasts soft, plummy foliage and a full, pyramidal habit with somewhat open branching. HEAVY GRADE

Nandina 'Gulfstream' #3

A very hardy, trouble-free and colorful evergreen shrub with vibrant, ever-changing foliage. New leaves emerge scarlet red in spring and mature to blue-green in the summer, as small white flowers appear. Intense red foliage develops as autumn temperatures cool.

Thuja occ. 'Emerald Green' #3

A narrow, pyramidal evergreen displaying dense emerald green foliage that holds its color throughout winter. Thrives in heat and humidity of the south, and tolerates dry spells when established. One of the most popular and effective shrubs for screening or tall hedge use
