

# BARNUM AND BAILEY CIRCUS

Brooke, Becky, Alexis, and Lindsey went to the circus last Saturday. Each girl saw her favorite animal and ate her favorite food. From the clues given, determine each girl's favorite animal and food.

1. Becky loves the elephants but does not like popcorn or taffy.
2. Alexis is afraid of the lions.
3. The girl who loves lions does not eat taffy or ice cream, but the girl who eats a snowcone loves the monkeys.
4. Brooke enjoys any flavor of taffy.

|         | Lions | Elephants | Monkeys | Horses | Taffy | Popcorn | Ice cream | Snowcone |
|---------|-------|-----------|---------|--------|-------|---------|-----------|----------|
| Becky   |       |           |         |        |       |         |           |          |
| Alexis  |       |           |         |        |       |         |           |          |
| Lindsey |       |           |         |        |       |         |           |          |
| Brooke  |       |           |         |        |       |         |           |          |
