Welcome

Nikki Forman, President, Welcomed everyone to the meeting.

Principal Update:

Mr. Eyerman gave an update about Coffee with the Principal that was held last week. He hopes to have some guidance on coming back to school from tonight's board meeting. Mr. Eyerman and Ms. Scharff have been able to join EDL classes online.

Mr. Eyerman discussed AZ Merit testing in the spring and said it will not be cancelled. Copper Ridge has lost some families due to the current circumstances related to EDL. He emphasized that he is here to support all families and hopes that families talk to him or Ms. Scharff before they decide to leave.

Mr. Eyerman is encouraging families to stay in touch with him and the district through the Lets Talk App. He also said that emailing is also a great way to get in touch with him.

On a positive note, there have been a lot less issues with technology since the beginning of the year. There will be Kindergarten orientation next week. $\frac{1}{4}$ of the class will attend each day for four hours at a time.

Amy Floyd – Room Mom

Amy introduced herself and encouraged families to email her with any questions about volunteering or Room Mom related questions.

Events - Meredith

Meredith explained due to circumstances nothing is set in stone yet. She announced an upcoming outdoor Yoga event in November where there will be two different yoga sessions and Vita Sana will also be there to sell their clothing.

Another possible upcoming event will be held at Top Golf with safety measures put into place. There will also be an auction/raffle at this event.

Book Fair – Stephanie Halverson

There will be an online book fair Monday September 14th-27th. There will be free shipping to your home for orders over \$25. The link to access the book fair will be live on the 14th and the link will be emailed to teachers and staff to send out to the families. If families would like to purchase their teachers books they can place it with their order.

Spirit Wear- Stephanie Chura

Spirit wear is for sale on the Membership Toolkit Website. Stephanie will have a table set up outside the office on Fridays from 2pm-3pm for families to pick up their spirit wear orders. The first week back to school will be spirit week!

ESF – Nikki (Melissa absent)

Nikki discussed the importance of ESF. ESF funds are used to cover things that the school district does not cover such as campus security, Aides, folders, reading intervention, teacher reimbursement for materials benefiting students and online programs. Families can donate to the ESF funds at www.crpto.membershiptoolkit.com

Closing – Nikki

Nikki closed by thanking everyone for coming. She also reminded everyone that September 16th is early release and September 28 is a district recess.
