Kevin,

The Goat Peak Ranch Board of Directors met last night to discuss the camp's use of our private road that is being used to gain access to the camp.

Big Horn Way is a private road that is maintained by the owners of Goat Peak Ranch. It is for use by the Goat Peak Ranch owners , their guests and vendors, This is clearly marked at our entrance.

The board's decision is that we will continue to allow use of our road for emergency vehicles such as ambulances and any equipment used by the fire department, in the event of fire or medical emergency at the camp when such emergency vehicles are unable to use your road to get in.

We will also temporarily allow the use of our private road for a once a month propane delivery to the camp. This will be subject to review in the future.

Any other use of Big Horn Way to gain access to the camp, such as passenger vans or buses, is strictly prohibited.

Please immediately remove any reference to a "Winter Months Rear Entrance" from your website and inform any drivers bound for the camp that are not allowed to use Big Horn Way and are trespassing if they do not comply.

Thank you,

Jeff Kluth
