

James Henderson is a fifth generation farmer/rancher from La Jara Colorado. He joined the Roundtable in 2016 and currently serves as a member. James holds a B.S. from the Colorado State University College of Natural Resources and is also a CFWE Water Leaders, CFB, and ELA Alumni. He enjoys the outdoors, his family and his farm.

Water Views: Water of course is the basis of all life. It is the past, present, and future of the San Luis Valley. I firmly believe we can meet common goals in the water community with honest conversation, ingenuity, and a little good old fashioned grit.
