

Greetings,

The Southern Region APRI Conference will be held February 16-18, 2018 in Norfolk, VA. The theme of the conference is **"If Not Now, When?"**.

This year's conference takes place at a time when we must evaluate our strategies and fight like never before to hold on to the gains of the civil rights movement and labor movement. There is a clarion call that we hold the president, congress and our legislative branches accountable.

As in the past, there will be informative workshops and dynamic speakers. In line with our conference theme **"If Not Now, When?"**, we will examine the need for building strong sustainable coalitions with our community partners and develop ongoing programs around community advocacy beyond election cycles.

As an organization that cares deeply about improving our democracy, we want to present you with an opportunity to contribute to this conference. If we fail to seize this opportunity to organize and advocate our social and political landscape, we will be altered for generations to come. Your financial support would make a real difference in our ability to prepare for this war.

On behalf of the Southern Region A. Philip Randolph Institute, please accept this request for Sponsorship of this conference. Thank you in advance for your contribution.

Make checks payable to: **Southern Region APRI, 2138 Alcy Road Memphis, TN 38114.**

Live in the solution,

Kermit Moore, Representative

Southern Region APRI
