

Citizenship": Any document I may have ever signed, in which I answered "yes" to the question, "Are you a United States incorporation British Vatican treaty of 1213 religious slave citizen?" - cannot be used to compromise my status as a sovereign, nor obligate me to perform in any manner. This is because without full written disclosure of the definition and consequences of such supposed "citizenship," provided in a document bearing my signature given freely without misrepresentation or coercion, there can be no binding contract.

I am not a "United States citizen." I am not a "resident of," an "inhabitant of," a "franchise of," a "subject of," a "ward of," the "property of," the "chattel of," or "subject to the jurisdiction of" any "monarch" or any corporate "commonwealth," "federal," "state," "territory," "county," "council," "city," "municipal body politic," or other "government" allegedly "created" under the "authority" of a "constitution" or other "enactment." I am not subject to any "legislation," department, or agency created by such "authorities," nor to the "jurisdiction" of any employees, officers, or agents deriving their "authority" therefrom. Nor do any of the "statutes" or "regulations" of such "authorities" apply to me or have any "jurisdiction" over me.

Further, I am not a subject of any "courts" or bound by "precedents" of any "courts," deriving their "jurisdiction" from said "authorities." Take notice that I hereby cancel and make void from the beginning any such "instrument" or any presumed "election" made by any "government" or any agency or department thereof, that I am or ever have voluntarily elected to be treated as a subject of any "monarch" or as a citizen," or a "resident" of any "commonwealth," "state," "territory," "possession," "instrumentality," "enclave," "division," "district," or "province," subject to their "jurisdiction(s)."

10. "Constitution": The document supposedly setting forth the foundations of a "country" and "its" "government," has no inherent authority or obligation. A "constitution" has no authority or obligation at all, unless as a contract between two or more individuals, and then it is limited only to those individuals who have specifically entered into it. At most, such a document could be a contract between the existing people at the time of its creation, but no-one has the right, authority, or power to bind their posterity. I have not knowingly, voluntarily and intentionally entered into any such "constitution" contract to oblige myself thereby, therefore such a document is inapplicable to me, and anyone claiming to derive their "authority" from such a document has no "jurisdiction" over me.

11. Use of semantics: There are some immature people with mental imbalances, such as the craving to dominate other people, who masquerade as "government," and call the noises and scribbles that emanate from their mouths and pens "the law" which "must be obeyed." Just because they alter

definitions of words in their "law" books to their supposed advantage, doesn't mean I accept those definitions. The fact that they define the words "person," "address," "mail," "resident," "motor vehicle," "driving," "passenger," "employee," "income," and many others, in ways different from the common usage, so as to be associated with a subject or slave status, means nothing in real life.

Because the "courts" have become entangled in the game of semantics, be it known to all "courts" and all parties, that if I have ever signed any document or spoken any words on record, using words defined by twists in any "law" books different from the common usage, there can be no effect whatsoever on my sovereign status in society thereby, nor can there be created any "obligation" to perform in any manner, by the mere use of such words. Where the definition in the common dictionary differs from the definition in the "law" dictionary, it is the definition in the common dictionary that prevails, because it is more trustworthy.

Such compelled and supposed "benefits" include, but are not limited to, the aforementioned typical examples. My use of such alleged "benefits" is under duress only, and is with full reservation of all my natural inherent rights. I have waived none of my intrinsic rights and freedoms by my use thereof. Furthermore, my use of such compelled "benefits" may be temporary, until alternatives become available, practical, and widely recognized.

REVOCAION OF POWER OF ATTORNEY

I hereby revoke, rescind, cancel, and make void from the beginning, all powers of attorney, in fact or otherwise, implied in "law" or otherwise, signed either by me or anyone else, as it pertains to any "tax file/identification number" and/or "social security number" assigned to me, as it pertains to my "birth certificate," and as it pertains to any and all other numbers, "licenses," "certificates," and other "instruments" issued by any and all "government" and quasi-"governmental" departments or agencies, due to the use of various elements of fraud by said agencies to attempt to deprive me of my sovereignty and/or property. I hereby waive, cancel, repudiate, and refuse to knowingly accept any alleged "benefit" or "gratuity" associated with any of the aforementioned numbers, "licenses," "certificates," and other "instruments." My use of any such numbers, "licenses," "certificates," or other "instruments" has been for information purposes only, and does not grant any "jurisdiction" to anyone.

I do hereby revoke and rescind all powers of attorney, in fact or otherwise, signed by me or otherwise, implied in "law" or otherwise, with or without my consent or knowledge, as it pertains to any and all property, real or personal, corporeal or incorporeal, obtained in the past, present, or future. I am the sole and absolute owner and possess allodial title to any and all such property.

Take notice that I also revoke, cancel, and make void from the beginning all powers of attorney, in fact, in presumption, or otherwise, signed either by me or anyone else, claiming to act on my behalf, with or without my consent, as such power of attorney pertains to me or any property owned by me, by, but not limited to, any and all quasi/colorable, public, "governmental" departments, agencies or corporations on the grounds of constructive fraud, concealment, and nondisclosure of pertinent facts.
