A MESSAGE FROM WALK #143 LAY DIRECTOR

In March, 2006 I was blessed to be a pilgrim on Walk #86. At that time, I had not even a remote idea of how God would change my world. The first thing to happen was to establish my priorities. Then, I became enlightened as to how much God's grace had been the guiding force in all of my life, even my many mistakes. Trust me, I am a person who is so mistake-prone that I can trip while walking across a bare floor. Through God's means of grace, He has led me to grow through study of his living word as He develops me into His disciple. When I went through divorce, I felt that my heart had been tossed out into the middle of a busy highway and was smashed to smithereens. On Walk #86, Jesus went out into that traffic, recovered my heart, healed it and put it back - better than new. Emmaus is living proof that when God closes one door, He opens another. When my sponsor's van door closed and the door to Camp Alamisco's Conference Room building opened, my life changed, forever. The pure love of Jesus that is found through serving with brothers and sisters in Christ in whatever area help is needed has been a blessing beyond measure. The lifelong friendships with my brothers and sisters in Christ are precious treasures that will last forever.

I do understand now why the Lay Director gives the Perseverance talk. The brothers and sisters who have said "yes" to serve on Walk #143 will be the instruments of God's grace to make this the "Best Walk Ever."

For this service, for your love, and especially for your love of Jesus, I thank you and look forward to serving with you during January 25-28, 2012. Peace and love in Christ.

I Am The One

Have you seen the man that can raise from the dead?
Do you know who He is that turned a river to red?
Can you heal the hurt and cause the blind to see?
Will you meet Him in the City where He waits for you and me?

I was walking down the road on an over cast day
Thinking of the ways that so many go astray.
I came upon a man that was a stranger to me
He saw how I was saddened and He saw my need.

He said "Can you make a world like this in seven days"?
"Do you know how to live when the body decays"?
"Can you show mankind the way he should live"?
"Will you be more able to forget and forgive"?

Then I hung my head and I couldn't say a word
For the shame I felt of all that had occurred.
I wanted to run and hide from this Man
He seemed to know more than anyone can.

He said "I am the One that was put on that cross".
"I am the One that can save all the lost".
"I am the One with the scar in my hands",
And "I am the One that created these lands".

I fell on my knees and thanked the Lord above.
He sent His Son to die here out of shameless love.
No one else would have done this for me.
No one else would have died on Calvary.

~Tennie

*God demonstrates His own love toward us, in that while
We were still sinners, Christ died for us.*
