ARE YOU TURNING 65 OR NEW TO MEDICARE?

Medicare information and enrollment—I can help

Let's discuss Medicare Advantage and how it fits into your life

If you're new to Medicare, I can help you make sense of it.

Or maybe you have Medicare now and you're looking for a new plan—or a new premium. Maybe you want to add coverage, such as a prescription drug plan or a Humana Medicare Supplement Insurance Plan. I'll listen to you and put information together.

We'll find the right plan for you

Then we can discuss how that information may become real in a Humana Medicare Advantage plan that fits your needs. One with everything Original Medicare has—and that may have benefits you might not get with Medicare Part A and Part B.

Let's talk. Whatever you'd like to know about Medicare, whatever choices you make about it, I can help.

HOMES

FOR THE

Holidays

Once upon a time, real estate was thought to slow down as the new year approached. These days, we know better.

On of the best gifts one can give themselves is to own their home. We are here to assist. We have credit repair professionals and lenders that can work with you to obtain that dream. Michigan has a first-time home buyer program (first time home buyer has not owned a home in the past 36 months) where you can own a home for a 1% down payment and be given assistance of up to \$7,500 towards your closing costs.

Please call Billy at 313.332.4088 to discuss any of your real estate questions. FREE consultations.

Happy Holidays and looking forward to 2023!!!!

2023 promises to see an increase in services for the farms at Parker Village, Thanks to a strategic partnership with the University of Michigan School of Information. An increase in our urban and aquaponics farm is being prepared for 2023.

Excitement as a word does not do justice to the prospect of working with the University of Michigan!

Our founder, Juan Shannon, met with and toured the campus with Ron Eglash and Matthew Garvin of U of M to begin planning the 2023 Growth!!
