

## Intermediate Brickwork

- Are you looking to enhance your existing brickwork skills?
- Are you ready to tackle a more challenging project?
- Save money, have fun and learn new skills with BuildTrain.

This is not a course for novices. Delegates should already be experienced with basic brickwork techniques and should be able to work at a good pace. This is a course that enhances existing skills developed from our basics of brickwork course.

We assume that all delegates are beginners come with previous bricklaying experience.

**Course Date** Contact us for the next available date

**Course Times** 09:30 – 16:00 (09:00 arrival and preparation)

**Course Location** Unit 4 Lower Gower Road, Royston, Hertfordshire, SG8 5EA

**Space on this course is limited and early booking is essential**

This course builds on the knowledge and skills gained through our basics of brickwork course and is a “hands-on” training opportunity for those looking to tackle more advanced bricklaying projects. You will be getting involved in practical sessions from the start of the day and will be amazed at the speed at which you can pick things up. The course will cover the following areas; however the level of detail will be determined by the group’s wishes:

- The correct and safe use of the appropriate tools for the job;
- The correct materials and calculating volumes;
- Advanced brickwork techniques and applications;
- Panels, shapes, pillars and arches;
- Perfect pointing and finishing skills.

You will get dirty so working clothes are essential. Changing facilities are available on site so please arrive promptly to ensure the course starts on time.

**Course Cost** £95

This includes all tuition, materials and access to tools. Safety footwear is a legal requirement for attending the session. We do have some available for loan or sale onsite. If you would like to purchase footwear just contact us no less than 14 days ahead of the course and we can arrange this for you.

To book yourself into this session please contact us by phone or email [buildtrain@btinternet.com](mailto:buildtrain@btinternet.com). Full pre-payment of course fees is required to enrol you on the course. Non-attendance will not result in a refund being offered.
