STORM Shelter & SIREN Policy

Ever get tired of hearing the annoying siren at noon every weekday? We do too, but storm season is fast approaching and sounding the sirens helps the City ensure the siren system is maintained in good working order. Moran has two storm shelters, one is located behind City Hall with the second located at the City Park. Additionally, the Moran Fire Department uses the sirens to alert volunteer firemen when fire calls are received.

**Sirens are sounded as follows**

**DAILY**—all sirens sounded for 10 seconds at noon Monday through Friday

**TORNADO**—sirens sound continually for 3 minutes with a 10 second pause between sirens. All clear is one 10 second siren

**CITY FIRE**—sirens sound once for 10 seconds

**RURAL FIRE**—sirens sound twice for 10 seconds each

**Sever Weather Siren Site Locations**

- 1st & Cedar; located near the United Methodist Church
- Randolph & Cedar; located at Troxel Park
- Walnut & Cedar; located on the USD 256 Campus
- High & Franklin; located on the Moran Water Tower
