Through dance, our goal is to instill a sense of self-esteem by developing poise and coordination, rhythm, flexibility, and general body toning. Dance is a good background for cheerleading, pompoms, sports, musical theater, and professional careers. Our students have participated in local, regional, and national competitions, winning many trophies and awards. Our philosophy is to educate and prepare the serious student who wishes to prepare for a career in dance, as well as to share our enthusiasm with those who enjoy for the recreational benefits alone.
