Public: Questions, Suggestions, your input always welcome!

## Parsonsfield Open Town Hall Discussions Sat. April 6 10am-12pm Town Offices

## We need your input, trust, and guidance

Our town is a special place, with seven unique villages - unlike any other town in Maine. We might believe that it will always remain this way but Parsonsfield is growing. Our young Planning Board is struggling with an outdated almost 30 year old Comprehensive Plan. This plan is supposed to guide our towns growth, our land use, and meet state regulations. The current wording of our Plan and ordinances leave them open to various interpretations that provide many loopholes in both the application and regulation of our policies.

Agenda Items: Open agenda: possible items to chat about below

- \*We'll be discussing Food Sovereignty and Implementation of Parsonsfield's own Food Sovereignty Act
- \*Deploying a comprehensive survey to help update of our 30year old Comprehensive Plan
- \*Working toward a Kezar Falls Village Compact- three towns, with a common goal, moving together into the future.
- \*Availability of a Farmers Market Location right on Route 25 in Parsonsfield just before Cornish line So if you are a farmer, teacher, hunter, contractor, logger, retiree, recreational enthusiast, business owner, or entrepreneur, a concerned resident, or just love the current peace and quiet of our area, please stop by to share your story. What do you see for the future here .

Please come for a chat, and Give us your 2 cents . Grab a survey to take home, fill it out, return to Debbie's office- select board secretary, and we'll enter your name in the raffle to have a chance to be one of three **year-round residents to receive a \$50 credit off your 2019 taxes**
