## Client Partnerships

Atlanta Industrial Services Group is designed to be the first premier service provider to operate as a high volume, low cost service provider that can easily partner with the corporate servicing community and help them to administer "best practice" service ideals.

With these fundamentals in place, we have proven to be the provider of choice to deliver cost cutting service solutions in a manner that benefits all parties involved.

We have partnered with some of the best distributors, suppliers and service providers in the business. No matter what industry you are in, there will always be a need for electronics and electrical service solutions!

CEO Shun Tucker receives the Summer Bridge Academy of the Sankofa Scholars Program plaque at Georgia Piedmont Technical College for student mentorship.
