

2021 ARMOUR S C R E W C O M P A N Y RACE OF CHAMPIONS

SATURDAY, AUGUST 14TH 2021 - WILDCAT CREEK MX - ROSSVILLE, IN

TEAM STRUCTURE

5 Riders
5 Era bikes

The Race of Champions represents the "team work aspect" of a competitive and challenging race. Our goal is to match teammates and competitors young and old on 5 different era bikes as a team of 5 riders. Each team of a specific era bike will be scored in their own motos (two) for a yet to be determined set of laps and the finishes recorded and put together with the other moto finishes of each team with the LOWEST SCORE combined to determine the overall winner.

BIKE ERAS

1977 AND OLDER (NEW!)
1978 TO 1981. (NEW!)
1982 TO 1989
1990 TO 2001
2002 TO Today

The overall winning team gets presented with a "*Walking Trophy*" for one year and all the bragging rights, and each rider will get their own plaque to keep. The top ten (10) remaining teams will get plaques for all their riders for their respected finish. **In the past most teams have been struggling to find a bike for ROC #1. Therefore, we decided to open up the class to bikes 1977 and older (was 1975). We still encourage teams to find true vintage bikes for the spirit of the race, but we want to make it easier to complete a team.**
