Extra! Extra!

Dear Rush,

We just love that our new digital magazines allow us to add new content after the issue is printed! Look for play buttons in our stories and ads and click to view corresponding video like these:

On page 9 of *Columbus and the Valley*, Five Under 40 winner Jason Branch talked about the Chattahoochee River as "one of the city's greatest assets." So this week we added a video of local kayakers and canoeers racing 12.3 miles in the Race the Hooch event on September 15. And on page 37 we added a video to Ben Finley's Chattahoochee Success story.

If you haven't already, check out the online, iOS and Android versions of both our magazines for convenient access to video and live web links in our stories, calendar items, ads and more.

Happy reading and viewing!
