## TEACHING CHILDREN HOW TO FILL OUT FORMS

Forms and applications require names, birth dates, and addresses to be written in dozens of different ways. You can prepare your children for this real-world skill by introducing them to a variety of forms and actually having actually practice filling them out.

### How do I write my name?

Surname (last name)	First Name	MI	Last	Initial
DOB (day/month/year)	Age	Signature of Applicant		
Full name (print)		Date		
Date of birth (day/month/year)		Applicant Signature		
Complete with blue or black ink only. Print only.				
Name: Last	First	Middle Initial		
Date of birth: Day	Month	Year	Current Age	
Complete this form entirely. Please print.				
FIRST NAME	LAST NAME	MIDDLE	DATE	
BIRTHDATE (MONTH, DAY, YEAR)		SIGNATURE		
1	Print full name you will use in your work or business.	FIRST	MI	LAST
2	Print your full name given at birth.			
3	Your signature			

### Teach your children how to look over a form

first, before filling anything out. Have them check for directions such as "complete in blue or black ink" or "print only." Also have them take note of any parts that they do *not* need to fill out, such as sections that say "office use only."

Have your children use this worksheet to practice filling in their name and birth date in various ways. <https://goo.gl/QN2H03>
